### *A la fille avec Dieu*

*Hi Cathy,*

*When we said "So long" as you left with Tom  
We thought it was just the end of our prom*

*We had a wonderful time yes, one and all  
Little did we know God would soon softly call*

*He must have been terribly jealous of us,  
So he took ya to heaven, before the big rush*

*Does He know we love you, does he realize we care  
Didn't he check? - There were still 5 months to share*

*We can't help remembering our so happy past,  
If we all had to go we had hoped you'd be last*

*But then! How selfish, unchristian to miss,  
Someone now blessed with such Heavenly Bliss*

*Do you remember the Talent Show, funny as could be,  
With you as room ten's encouraging Emcee*

*And too, our retreat with the huge snowball fight,  
Through Father Ring we saw Christ's new light*

*Were reading Rebecca: on Wednesday it's due,  
Thank Heaven with Hamlet we're through*

*Cathy, We all hope you'll open the door,  
That we'll all get great grades in English Lit. Four*

*In French, As announcer, you really were pro  
How can we ever replace Estrogen*

"We never lose those we give  
to God." St. Augustine.

CATHERINE C. WALSH

*In religion your comments you gave so well  
But can you forget A-Semi-S-L*

*Cosiness and tangents, confused you we know  
But your swell perserverence helped math knowledge grow*

*Cathy be with us on each passing day,  
Come to our ball games and the spring play*

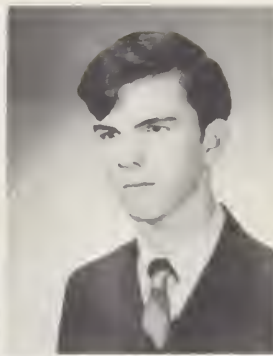

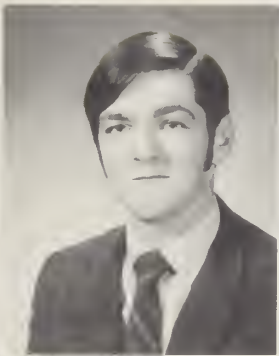

*And if to someone you'll pass a quick hint  
Maybe he'll send luck in the Tech Tournament*

*So guide us all as we live out our fate,  
Then meet us with Peter at the great pearly gate*

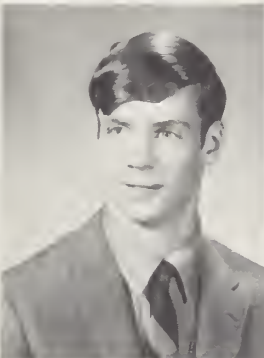

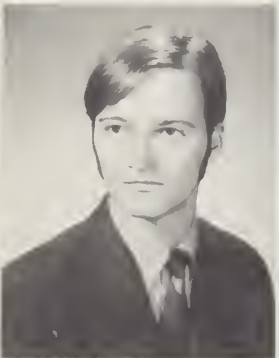

*Our very own adopted angel please be  
Bye for now, See you in*

Love from the Class of 1970*
